Re: *United States v. Trevor Milton*, S1 21 Cr. 478 (ER)

Dear Judge Ramos:

The Government writes on behalf of the parties regarding the schedule for sentencing in this matter. The Government understands that additional time will be necessary for the United States Probation Office to complete the Presentence Investigation Report and for the parties to draft responsive submissions. Accordingly, the parties respectfully request the schedule to be revised as follows:

- The Government's opposition to the defendant's pending post-trial motions to be submitted on or before January 20, 2023.
- The defendant's reply, if any, to the Government's opposition to be submitted on or before February 3, 2023.
- Sentencing to be held in approximately 90 days, at a date and time convenient to the Court.

Additionally, the defendant requests an opportunity for oral argument on his post-trial motions, while the Government expects that no oral argument will be necessary.

Respectfully submitted,

DAMIAN WILLIAMS
United States Attorney for the
Southern District of New York
